BEALL SCHOLAR PROGRAM

UCI summer program for 11th grade students interested in careers in brain research, aging, and healthcare

PROGRAM DETAILS:
- July 12-16, 2021
- Half-day, hands-on education
- 1:1 mentorship with a researcher
- UCI main campus (virtual as needed)
- Course materials provided
- Transportation provided as needed

BY APPLICATION ONLY:
10-15 Beall Scholars will be selected for the inaugural program. Interested students must apply by May 1, 2021.

Qualifying schools can schedule an information session for 11th grade students through April 2021.

Email remind@uci.edu for more information.
